

2019 KIDS Production (KP) Information (12:00 Recital)

We will have a KP "Practice" for both the dancers and stage moms together so we can go over the staging/practice lining up to ensure that dress rehearsals run smoothly. There are 30+ people involved in each KP so please do your best to attend your KP "Practice," but it is not mandatory. This is different from the KP Dress Rehearsal that is mandatory on recital weekend. Refer often to www.ltrctapjazz.org under the recital tab for more info.
